Subject: Bloom Analysis Meeting Write-Up
Attachments: DRAFT EPA DNREC Bloom Regulatory Analysis.docx; DRAFT RegAnalysisDiagrams.pptx

Hello All,

It was wonderful going into the weeds (and over the river, and through the woods) of RCRA with you all last week. Many thanks for all of your hard work and insight in putting this analysis together. Attached, please find a report of our discussion and findings and revised flowcharts to accompany the report.

Please provide any feedback by the end of the day Tuesday, 2/9.

Thanks very much,
Sara K.
